STAGE REHEARSAL- INFORMATION AND SCHEDULE

Dear Parents & Students,

Recital 2018

All recreational classes will participate in a stage rehearsal at the Markham Theatre on Friday, June 1st from 3:00-5:30pm. Please locate your class and rehearsal time below. Dancers, please come ready in class wear, dance shoes and tights. (NO COSTUMES NECESSARY). This opportunity is very important as it allows the dancers to become familiar with the stage. They will also rehearse their entrances and exits in 'blackout'. Please arrive 15 minutes prior to your scheduled time and proceed to the rehearsal hall. Once the child has rehearsed their routine(s), they are free to leave the theatre. Please note: the main waiting room backstage where the dancers group together before rehearsing (the rehearsal hall) is a female dressing room. There will be a designated waiting room for fathers and male dancers.

Supervision: The parent/guardian is responsible for supervising their child at the rehearsal in the backstage area. It is important that only ONE parent/guardian accompanies the child as there is limited space backstage. Please note: we follow a different backstage procedure for the recitals, where backstage supervision will be provided. This is explained in detail in the 'Recital Newsletter'. The audience seating will be closed during the rehearsal, there are no spectators.
